- Os ydych yn teithio i'ch lleoliad gwirfoddoli, gallwch hefyd gynnwys yr amser teithio tuag at y cyfanswm o oriau.

What is the Millennium Volunteer scheme?

- *It's a volunteering recognition scheme for young people aged 14-25.*
- *You can include every volunteering activity if it benefits a good cause / volunteering with a voluntary organisation.*
- *You can sign up to the scheme & back-date the volunteering hours you have already done.*
- *You can include the hours you've done through the Welsh Baccalaureate.*
- *The awards certificates available are 50, 100 & 200 hours.*

Record of Volunteering Sheet

- *It's important to keep a record sheet of every volunteering activity you do e.g. one for volunteering at the school and one for volunteering in a charity shop.*
- *You need to note the volunteering activity, the date & time.*
- *The time record sheet MUST BE SIGNED by a person from the organisation.*
- *You will then need to send the sheet(s) to Alan (address below) once you've completed a sheet or reached the number of hours to receive a certificate e.g. 50 hours.*
- *If you must travel to get your volunteering placement, you can also include this on the record sheet.*
