

NORTH WALES SOCIAL VALUE NETWORK

MONDAY, 11 APRIL 2022 BETWEEN 10.30 -12.30 o'clock ON ZOOM

Social value enables us to understand the value of change in people's lives.

An increasing number of North Wales third sector organisations are engaged with social value, and some are considering embarking on the journey. Whatever your situation, the network is here to support you.

1 **Karen Bellis**, Community Benefits Manager, Denbighshire County Council will give an overview and update on social value developments in Denbighshire.

2 **Margaret Sutherland**, Chief Officer, South Denbighshire Community Partnership, shares her experiences of social value.

3 **Mathew Lewis**, Social Value Measurement Officer, Social Value Cymru discusses the third principle of social value – Value the things that matter.
